

Aegir Safety Shoe

Art nr: 1001109

Previous art. nr: 13000-000

Lightweight, extra-roomy safety shoe with everything you need for the best possible comfort throughout the working day. The shoe features an extra-wide composite cap to provide ample space for your toes. In addition, it's equipped with an exceptionally lightweight and flexible puncture-resistant APT fabric sole. Leather/BREATEX composite upper helps keep your feet at a comfortable temperature. Interior made from an antibacterial fabric to prevent athlete's foot and unpleasant odours. Anatomic insole ensures optimal shock absorption. PU outsole for outstanding traction and shock absorption. ESD.
