# Armet Fluorescent Safety Helmet

Art nr: 1001673

Previous art. nr: ARM210

A well-ventilated and comfortable safety helmet (EN397) with a focus on comfort and safety with a shell coating that reflects light in dark environments for high visibility. The world's first industrial helmet with MIPS and twICEme, offering unique technical solutions and unbeatable comfort. MIPS is a protective system developed to reduce the risk of brain injuries from certain angled impacts. With twICEme, the user can store their vital information directly in the helmet and make it accessible for reading with a smartphone. Chin straps optimized for hearing protection and are approved to be used with various ear protection brands.

### Information

Sizes	53–63 cm
