# Freebird PRO Hearing Protection

Art nr: 1001647

Previous art. nr: FRB103

Guardio Freebird PRO is the hearing protection (EN352) with a built-in 16-channel PMR446MHz communication radio and Bluetooth v5.1 multipoint, designed for professionals who desire complete freedom to communicate throughout the workday. It features Bluetooth technology for hands-free calls and music streaming via Qualcomm, with patented apt-X technology that enhances audio quality. Smart solution where the hearing protection can easily be transformed from headband use to helmet adapter. It has been tested and approved for use with several leading helmet brands. Charger, headband, helmet attachment, and storage pouch are included.
