Theia Visor Helmet Accessories

Art nr: 1001678

Previous art. nr: VIS102

The Theia Smoke protective visor (EN166 1B) is specially developed for Guardio ARMET protective helmets for work in sunny and bright environments. A short visor that provides good protection against eye injuries through a high-quality material that is certified for impacts of up to 120m/s. The visor is also scratch-resistant and treated against fogging, while the drip protection is there to prevent rainwater from dripping down inside the visor.
